

From sermon on Sept. 4th & 5th

Galatians **A Gospel of Freedom**

Text: Galatians 1:1-10

Purpose: Grace has always been at the forefront of the message of Jesus. Saved and approved by God not because of ourselves, but because of what Jesus has done for us. As we start this series we see that it's grace that leads to freedom and not works, as some were leading the church at Galatia to believe.

Opening Question: *Are you more of a perfectionist or easygoing?*

Read and Discuss: Galatians 1:1-10

1. *Why do you think the people of Galatia were quickly deserting Paul and turning to a different gospel?*
2. *How do we get distracted today from the gospel?*
3. *What are some examples of legalism today? How can legalism hurt the church and/or our spiritual lives?*
4. *Are there false gospel messages today? What are some ways people use the Bible to teach a false message?*
5. *How can we remain in God's grace daily?*
