1. *Why do you think the expert in the law asked Jesus about how to get to eternal life? What does knowing truth about God, but not acting on it produce in our life?*
2. *Because God first loved us, how does that make it easy for you to love God?*
3. *What does it mean to you to love God with your mind? With your heart? With your soul?*
4. *How does loving others help us to know we are loving God?*
5. *What ways can you love other people at Calvary? In your neighborhood? At work?*
