Love Where You Live Stay Awhile

Text: Acts 17:24-28

Purpose: *Neighboring calls us to be ambassadors for Christ where we live. In this study we look at two areas that can hinder our calling.*

Opening Question: *If you could live in one neighborhood what would it be?*

Read and Discuss: Acts 17:24-28

- 1. What does it mean to you that God "does not live in temples"? If God is living in neighborhoods, what do you think He sees when He is near your neighbors?*
- 2. What would it look like for one of your neighbors to meet Jesus? What would it look like if they believed in Him?*
- 3. Describe how God has "marked out their (your) appointed times in history and the boundaries of their (your) lands."? v.26*
- 4. What ways has God used you to help your neighbors know more about God?*
- 5. How does busyness affect the calling you have to your neighbors? What ways can we engage more with our neighbors?*
- 6. What fears do you have about neighboring? How does understanding that God has placed us where we are, help us to overcome those fears?*
